Stoughton Massachusetts

1983-84

Our junior year ... officers: Kim Betts, president; Janet Melvin, vice-president; Michelle Ridell, secretary; Jeff Swartz, treasurer ... a shocking movie, "The Day After," left Americans worried about nuclear war ... PSAT's in October, SAT's in April ... Class rings in October, the sub supper ... Junior Prom at Sheraton, Mansfield, "Tender Years," Gorett Gomes is Prom Queen ... Oklahoma is school musical ... juniors Richard White and Jay Tisdale organized class clam bake ... baseball team won Hockamock and state championship ... girls softball won league trophy as did both boys and girls tennis ... In May, our first yearbook assembly and we knew we were seniors

Dedications

This book is a reflection of our years at Stoughton High School. During that time, certain people and groups have distinguished themselves as special. Unlike past years when the yearbook was dedicated to one or two persons, this year's editorial staff has decided to credit the many individuals who have worked so hard to help the Class of 1985.

Therefore, we proudly dedicate the 1985 STOTONIAN to those faculty members, groups, and unsung heroes who were nominated by seniors and who reflect the spirit of Stoughton High School.

IN MEMORIAM

With deep sorrow and with deep appreciation, we honor the memory of Mr. John Donnelly, who passed away during the past year. Mr.

Donnelly was a school committee member for several years while our class attended Stoughton High School and many of us also knew him because of his activities in youth sports activities. He was also devoted to the young people of this town and we mourn his loss.

Government

I'd like to thank you for giving me the opportunity to serve as your president. It has been a great experience. With your help we have managed to put together many class activities which stamp the Class of 1985 as No. One at SHS.

As president, I have worked with many different people. It has been a pleasure to have done so. Many memorable times have come out of working with this class, times which I'll never forget. I would like to thank all the people who served as officers over the four years. These people are the ones who made our class what we are today.

Graduation brings us to an end of many great times spent at SHS. Wherever dreams take you in the future, I wish all of you happiness, good health, and success.

Good luck and thanks!

Tara Donnelly President

KIM BENSON Vice-President

To the Class of 1985:

During the three years I have worked with you we have shared many diverse experiences. There are some I will never forget such as the candy cane sales, the Spirit Halls, and the Powder Puff football win. Thanks for

You have accomplished a lot by working together to solve the many problems which always seemed to occur. You have constantly reminded me that more is achieved when different people with different ideas cooperate with each other. You have definitely matured during your years at Stoughton High.

Now you are graduating into a world with unrealized obstacles. I know you are willing to meet these new challenges. Remember that with cooperation and perseverance you can be successful.

Congratulations to you all and best wishes for your future happiness,

Sincerely,

Intramural Writing Competition

For the second year in a row, more than 70 juniors participated in the Intramural Writing Competition. For an hour, the juniors wrote on a topic which none had seen previously. This impromptu essay coupled with submission of one's "best" was judged by the faculty. The three finalists were then submitted to the National Council of Teachers of English (NCTE) as nominees in the national competition at which time they had to repeat the task with a new topic time they had to repeat the task with a new topic and a new set of judges.

Nominees for 1985 are Eric Kramer, Robert

Silverstein, and Joe Serpa.

Exciting news came to SHS when the school was notified that, for a third time in its history, an SHS nominee to the NCTE competition had won. Chris Kelley, one of the 1984 nominees, received this coveted recognition of his writing ability.

Central Administration

To the Class of 1985:

May I take this opportunity to extend to each and every one of you my congratulations. I have had the privilege of watching your progress, both academically and socially, in the Stoughton Public Schools. I know you will agree with me that our program of studies that has been set up by the school administration and approved by our School Committee has afforded you an opportunity to seek new horizons in your academic pursuit. I am particularly pleased with those of you who have taken advantage of the opportunities provided to you by our excellent teaching staff. Your contribution to all the activities in our high school is deeply appreciated.

The foundation that you received as a student in the Stoughton Public Schools, hopefully, will serve as the cornerstone upon which you can build a happy and successful future. Each day you should personally review your goals and objectives as an individual and strive to attain them. It is very important that you view graduation, not as the end of something but, rather, a new beginning. Your happiness and success will depend on the way you treat others and will be

reflected in your own personal integrity and dignity.

The Stoughton Public Schools is very proud of the Class of 1985 and, as Superintendent, I personally wish each member of this class the very best that life has to offer.

I will look forward to seeing you in the days, months and years ahead and always feel free to call upon me at any time. Best of luck.

Sincerely,

John G. Murray, Ed.D.

CONGRATULATIONS TO THE CLASS OF 1985

You are an unusual class. You will spend half of your life in the 20th century, and the remainder in the 21st. Your Stoughton education, hopefully, has prepared you well for the 1980's and 90's, and given you direction for the year 2001. You are a class accustomed to achievement. Among you are scholars, athletes, and musicians. Your medals, trophies, and awards decorate the corridors of Stoughton High School, making them permanent spirit halls.

The School Committee is proud of you as individuals and as a class and look forward with eagerness to following your triumphs. How many of you will be a part of "Star Wars" technologies, or bring joy and happiness to others through parenting? Which of you will share in discovering cures for dread diseases, or participate in inventing a much needed device?

These possibilities are available to all of you and your training in the Stoughton schools has prepared each of you to be ready to seize the opportunity when it appears, so that you too can continue in the rich tradition of success synonymous with the name of Stoughton High.

Joseph F. Harrington, Jr., Ph.D. Chairman Stoughton School Committee

FOOTBALL

The football team suffered another losing season as they were able to salvage only one win for the season, the opener,a 22-20 win against lpswich.

Injuries at one point put seven players out of action and plagued the Knights all season, the most unfortunate an injury to starting quarterback Todd Levine who broke his hand in the Foxboro game.

The jayvees recorded the 1-3-1 season under coach Joe Dawe. Rob Bento played well enough to move to varsity as a wide receiver. Other underclass prospects include Bill Kane and Dave Young, lineback/fullbacks.

Coach Jack Cosgrove, at the helm for five seasons, resigned at the end of the football campaign.

Canton High won the annual Thanksgiving Day match, putting them two up in the series which started in 1926.

Swimming

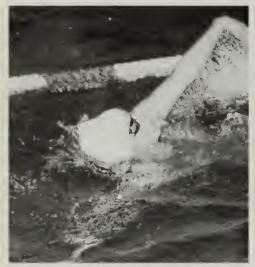

Despite a 4-7 record, the SHS swim team had a good season. Under the guidance of coach Chris Brady, the swimmers lost five seniors, but gained depth.

In the 105-51 win over Randolph, Monica McKinnon '86 qualified for the state diving tournament and Lynn Young set a new school record in the 200-yard medley.

Other highlights were Young's backstroke first in a 90-81 win over North Quincy; and Karen Licciardi's first in the 100-yard butterfly.

Scott Robichaud (breastroke), Sue Cody (freestyle); Melissa Gorman (medley) also turned in outstanding performances.

Golf

Stoughton High's golf team ended its season with a loss to Canton scoring 2-1/2 points to the Bulldogs' 3-1/2. The match concluded a disappointing season giving the Knights a record of 5-11. Coach Paul Jacobs did well with a squad which was long in desire but short in depth, all complicated by practice and match problems.

The strongest efforts for the Knights were against Sharon and Foxboro as they won, in each case, 5-1. Strong efforts were submitted by Foley, Gallerani, Galvin, Gianni, Musial and Brien. Victories against Foxboro were recorded by Foley, Gianni, Musial, Scott Director and Brien. Gianni had a low round of 39.

The shift from spring golf to the fall season has created problems for the Knight links program.

SOCCER

The soccer team clinched a spot in the state tournament with a final record for the regular season of 9-4-1. Much credit is due to new coach Lucio Santos.

Much credit is due to new coach Lucio Santos.

A highlight of the season was a doubleheader (with the football varsity) in the only night home game of the year.

The soccer season ended abruptly as a tough New Bedford team beat the Knights 5-0 in the first round.

The outstanding effort was due to a group of key players. Anthony Sammarco and Tony Costa were main scorers, breaking away as Willie Herrmann and Craig Chaplain kept the pressure off goalie Chris Mercandante who recorded several shutouts.

The jv's finished with a 3-7-2 record. Leading scorers for the Joe Nunes-coached team were Sean Kelley and Joe Baeta. Leading in assists were Mike Tierney and Pablo Bonomi.

Previously, the Knights took the league dual meet championship for a second year in a row, winning the pennant with a last-day defeat of North Attleboro 22-34. Medeiros set a new course record of 12:30. Eric Sapterstein finished third. The season's record was 8-0.

Medeiros, Saperstein, and Mike Varner were named to the All-Star team as the harriers finished second in the South Shore Principals meet. Medeiros finished 6th in the field of 200 runners.

FIELD HOCKEY

No longer the "easy win" for opponents, the girls have moved up from last place two years ago to annual tourney contenders. Much of the credit is due to coach Dan Mark.

Five veteran seniors (Dray, Tector, Blomstrom, Palaz and McGowan) formed the backbone of the team backed up by juniors Jackman, Doucette, Pellegrino and Cotter.

A talented junior varsity team boasted a winning season featuring leading scorers Chris Fogarty and Michelle Kelly. Excellent defense was turned in by Susan Malone and goalie Kelly Burns.

GIRLS SOCCER

For the first time, girls who wanted to play soccer didn't have to try out for the boys team, under the guidance of coach Susan Braen, SHS;s newest sport group ended with a 5-6-2 record in its initial season.

Most of the girls were underclassmen who lacked experience and coach Braen's role was to develop them into well-round players.

Potentials for next year are Lisa Alexson, primary goal keep, and co-captain Anna Medeiros, Donna Mercadante and Vera Miller, halfbacks, Wendy Carter, defense.

The seniors shown on this page deserve much credit for getting the sport off to two wins over Canton (8-0, 5-1) and 4 - 4 tie with Bridgewater - Raynham.

BASKETBALL

The boys varsity got off to a 1-3 start, but the Knights went on to post a 14-6 record, overall, 13-4 in the league, placing them second in the league, and earned a Division I tourney berth for the fourth year in a row for Coach John Douglas.

The Knights were bounced from the tourney when a second half surge against Xaverian came up short, resulting in an 88-79 loss.

One of the constants on the team was the performance and leadership of Capt. Pete Fredericksen who led the team in almost every offensive category including points scored, field goal percentage and rebounds.

The Jayvees numbered several freshmen on their squad and thus lacked in experience what they made up in hustle. Nevertheless, the team record, under Coach Chuck Vuytowecz, was creditable and promises well for the future.

In the Division I South Sectionals Baker (134) took first place followed by Alterio (128) and Lunnin (heavyweight) who each placed second in their classes.

HOCKEY

"We've made some progress even though the record doesn't show it," says coach Dan Mark in commenting on the hockey season, which showed the Knights finishing with a 1-12-1 record.

Faced with a rebuilding task, the coach has seen the team improve and become more disciplined. Despite the losing record, three seniors were towers of strength, SHS captains John Doherty, Chris O'Connor and Bill Statkewicz. The trio provided outstanding leadership, supported by other seniors Paul Burns, John Howe, Mike Varner, each of whom gave 100 %

Through six weeks of the season the Knights were in first place in the Hockomock League, tied with defending champ Foxboro. In week seven, however, the team's title hopes were ended with hard-fought 52-36 loss to Foxboro. In the Class C state meet, individual Knights ended with success as Paul Medeiros (3rd, two-mile) Eric Saperstein (6th, 800), and Brian Lanner (5th, 30) each qualified for the all-state. At the latter meet, Lanner and Medeiros each earned a trip to the eastern regionals at Princeton.

The girls indoor track team turned in the first winning season in the history of SHS girls track. The squad placed third in the league with a record of 6-2 and a third in the league meet.

The title hopes were smashed on the next to last week when, with a 5-1 record, the Lady Knights lost on the last event to league champ Foxboro. In the Class C state meet, senior Kim Romaine placed third in the 50-yard dash and went on to finish second in the all-state meet qualifying her for the eastern regionals at Princeton.

The team was paced this year by solid performances from Monica McKinnon, Sue Hurley, Janine Catalano, Donna Guilfoyle, Paula Klim, Kerry Jennings, and Nancy Soares.

GIRLS BASKETBALL

With only seven players to work with, Coach Dave Tucker led the girls varsity basketball team to a creditable 9-11 record. Four games lost by two or less points made the difference for the tournament. The five seniors, captains Dianne Blomstrom and Dawn Young, Nicole Murphy, Tara Donnelly, and Kathy Doyle were complemented by juniors Sheila Jackman and Tina Doucette. Three sophomores, Chris Fogarty, Noreen Tierney and Cori Herlihy, alternated varsity and JV and provided much needed bench strength.

With a strong finish, the junior varsity managed a record of 9-11. With the addition of freshman center Laura Long, the team found the height that they had lacked. Sophomores Tracy Aguiar and Karen Holmes played well for Coach Michael Baxter and should easily make the varsity next year.

GYMNASTICS

What can you say about a team that finishes at 0-10 in the Hockomock League? Well, if it's the gymnastics team, it represents a group of six girls who probably portrayed courage, dedication and true school spirit more than any other group in SHS history. They could have quit; they never did. Under the tutelage of coach Debbie McIntyre they tried hard.

There were bright spots: Madeline Mace on the balance beam, Sue Cody and Fran Costello, allaround, Linda Hendry, vault, all performed well individually. Unfortunately, because of minimum requirements for each event, the team itself was handicapped and never could score enough points to win.

Unless gymnastics is to become extinct at Stoughton High, it will be necessary for more girls to come out for the sport. Certainly, there are enough girls involved in town from an early age to warrant the growth of this competition.

Neil Snetsky goes mobile with the portable camera.

Michelle Germaine tests for color accuracy.

SHS SCOPE

With the arrival of cable tv to Stoughton, SHS students, under the capable guidance of Mrs.Linda Dolan, were introduced to the skill of producing a program devoted to Stoughton High, its students, and their accomplishments. A new studio and thousands of dollars of expensive equpment made the task easier.

THE DUKE DROPS IN

Governor Michael
Dukakis visits Stoughton
High and discusses his
deep concerns with teen
use of drugs.

Governor Dukakis reviews the problem with Dr. Murray and Mr. Sarno.

Prior to the assembly the governor met privately with a group of students, among them Lisa Falso, Laura Stevens, Mark Andrews, and Mike McCabe.

Four addicts visited SHS at the same time and each of the four, currently underging rehabilitation, told a sad and dangerous story.

Gov. Dukakis made a strong opening statement about alcohol and drug use.

Other students who met in the special session and who participated in a give-and-take discussion were Mar Serradas, Jeff Heberling, Kim Betts, Val Ward, Georgia Zisimopoulos, and Jon Bloom.

Seniors listen intently to some strong remarks about trues.

Gov. Dukakis expresses his regrets to the seniors who had to go to the cafeteria.

It was a real shirtsleeve discussion with no holds barred.

The capacity crowd (Grades 9-11) at the assembly was captured on tape for cable-tv showing. Howie Gorman was one of the SHS camera crew filming the event.

Principal Sarno, Superintendent Murray, and SADD president Stacey Zelbow were invited to take places on the platform.

It was a big media event as tv cameras from all Boston stations converged on SHS.

Lack of room forced the seniors to watch the governor on closed circuit television in the cafeteria, but the Duke took time out to visit with the seniors before the assembly.

STOTONIAN

With the knowledge that after graduation, we may not see high school friends again, our yearbook becomes more special, for it not only preserves our memories, it preserves our friendships. We will look back not with sadness but with laughter. Our yearbook is something to be treasured. When opened, it will be a journey into our youth.

The task of producing a yearbook is not an easy one. It is only with hard work, a lot of time, and a little hope that a book is created. A yearbook is nothing more than the people who worked on it. There is no one more important to the Stotonian than Mr. Sumner Tapper. Under his leadership, we were all able to work together. He deserves our greatest appreciation.

All the staff members deserve credit. Here are some: Tina Galley coordinated activities, took pictures, and completed "dull" pages (usually) without complaint. Joe Waters, with Linda Backner, ran the business end Sometimes, it was a job he didn't want, but Joe never gave up.

Robert Levine coordinated all art projects and never missed a deadline. Special thanks go to Katey McShea and Paula Klim who probably worker harder than anyone else. They continually took on new jobs and theil dedication never wavered.

dedication never wavered.

We also thank the many underclassmen who helped us in many ways.

To the entire staff who helped get this book out, who helped me, and who never quit: You should be proud and I thank you!
